We raise plants for our MAIL ORDER trade. NO LOCAL SALES. Visit us on your California vacation. Located Thirty-five miles north of San Diego. Ninety miles south of Los Angeles.

A DECISION HAD TO BE MADE. To raise a quantity of a few varieties, or specialize in VARIETY as in the past. The first method would no doubt be more remunerative, the second more interesting. We have decided on variety, as we enjoy growing the unusual. We offer plants in lots of ten and individuals so that you may familiarize yourself with those you do not know. Prices must necessarily be higher with this method of sales. Selection is made with great care and the best possible plant given for your money. IN CASE OF SHORTAGE, MAY WE SUBSTITUTE.

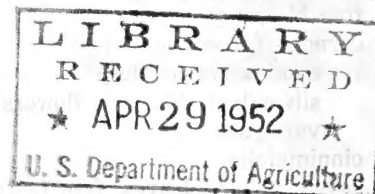

FOR QUANTITY BUYERS: we suggest you mark the kinds you want, and return this listing for prices.

IF YOU HAVE UNUSUAL PLANTS NOT LISTED HERE WE WOULD APPRECIATE YOUR LIST.
